GUIDELINES FOR CAMERA READY SUBMISSION:

(FOR ACCEPTED PAPERS ONLY)

1. Camera Ready Copy is to be submitted for papers selected for Oral Presentation through the Microsoft CMT account. (The conference will take place in hybrid mode).

2. **Refer to the link below to understand the process of camera ready submission-** **https://cmt3.research.microsoft.com/docs/help/author/camera-ready-submission.html**

3. Incorporate all the suggestions as suggested by the reviewers (if any). One can view these suggestions by meta reviewers on their Microsoft CMT account.

4. Perform another plagiarism check and reduce the similarity index to less than 20%.

5. Carry out a thorough spell check before uploading.

6. Follow IEEE standards for preparing Camera Ready Paper:

   All final manuscripts must be formatted in standard IEEE 2-column A4 format.
   IEEE Paper Template format can be found at -
   https://www.ieee.org/conferences/publishing/templates.html

   Strictly follow this Template (A4-sized paper).
   Insert the following headers and footers in your source document before converting it to PDF using PDF Express:

   a. First Page:

      - Header (in the top middle): 2024 IEEE International Students' Conference on Electrical, Electronics and Computer Science

      - Footer (in the bottom left): Insert an appropriate copyright notice on the first page as follows:

      - For papers in which all authors are employed by the US government, the copyright notice is: **U.S. Government work not protected by U.S. copyright**

      - For papers in which all authors are employed by a Crown government (UK, Canada, and Australia), the copyright notice is: **979-8-3503-4846-0/24/$31.00 ©2024 Crown**

      - For papers in which all authors are employed by the European Union, the copyright notice is: **979-8-3503-4846-0/24/$31.00 ©2024 European Union**

      - For all other papers, the copyright notice is: **979-8-3503-4846-0/24/$31.00 ©2024 IEEE**

   b. Other Pages:

      - Header: Not Required

      - Footer (in bottom middle): SCEECS 2024

- No page numbering on the camera-ready paper is allowed.

7. Use the IEEE PDF eXpress to convert your file into PDF format. See the guidelines below in the mail for using IEEE PDF eXpress.

8. The paper must be presented at the conference and only then will it be submitted to IEEE Xplore (full paper must be submitted).

9. Rename your camera-ready submission as paper_id.pdf (Eg: 2.pdf for paper id 2).

GUIDELINES FOR COPYRIGHT FORM SUBMISSION:

1. The Copyright form will be submitted through the Microsoft CMT account.

2. Check that the paper title and the authors list mentioned on CMT are correct and correspond EXACTLY to those in the final camera-ready paper.

3. Papers without completed copyright forms will not appear in the conference proceedings and will not be published in IEEE Xplore.

4. **Refer to the link below to understand the process of copyright transfer- https://cmt3.research.microsoft.com/docs/help/author/camera-ready-submission.html**

5. You need to go to the IEEE Copyright Web Site to submit the IEEE Copyright Form.

6. Upon completion, there is an option to download the completed IEEE Copyright Form in PDF. Make sure to download a copy of the completed form. When you are finished, you will be redirected back to the Author Console.

7. Once you have the file, you may either drag and drop the file into the dotted region or click 'Upload from Computer' to upload the file that way. Then click 'Save.'

GUIDELINES FOR USING PDF EXPRESS:

1. Kindly go to IEEE PDF eXpress website (**https://ieee-pdf-express.org/**), and:

2. Create an IEEE PDF eXpress account, enter basic contact information & get confirmation of account creation email. Use **61402X** as your conference ID.

3. Upload a PDF for Checking or source file(s) for Conversion; get an email confirmation of file receipt.

4. Submitted PDFs are checked for IEEE Xplore®-compatibility; source file(s) are converted to IEEE Xplore-compatible PDFs. If a PDF is submitted, you will receive an email stating that PDF Passed or Failed the Check. If the PDF fails, a PDF Check report is attached to the email. The author goes to the account and clicks "Understanding the PDF Check Report" for solutions. If the source is submitted, you will receive the IEEE PDF eXpress-generated PDF as an attachment, and through your IEEE PDF eXpress account. Review the PDF to ensure that it can be viewed on the screen and prints as you intended.

5. If necessary, revisions may be submitted (PDF or source); return to Step 2. Make sure that there are no grammatical, spelling, or content errors in articles before submitting them to PDF eXpress.

6. When you have an acceptable, IEEE Xplore-compatible PDF, submit this final PDF to the conference along with the word file in .doc or .docx format on Microsoft CMT (prepared in Microsoft Office Word).

Please note that registration and presentation of papers are mandatory for the publication of camera-ready submissions. The registration form will be sent in a separate email by 30th January, 2024.
